

Level 4 car parking

5 levels of parking

The innovative and environmentally efficient planning of the T1 car park has created a significant asset for all companies located within the building. In addition to the convenience of same level parking, the quality finished undercover parking provides a welcoming environment for both staff and visitors.

Features include:

- ◆ Undercover executive parking at your door for Levels Ground, 1, 2 & 3. Level 4 car park is covered by metal roofing designed to be aesthetically pleasing as well as practical.
- ◆ Dedicated visitor parking on all levels.
- ◆ Majority undercover
- ◆ Naturally ventilated design for increased cost efficiency
- ◆ Additional car parks available
- ◆ Levels 1 to 4 car park walls and ceilings are painted, with exceptional lighting throughout
- ◆ Ample parking, surplus to council requirements.
